President's Message

Rotary Opens Opportunities

Rotary International President Holger Knaack selected Rotary Opens Opportunities as this year's theme. District Governor Kirk Driskell is carrying the same theme into his year. What a perfect choice as now is the right time to embrace new ideas, and action plans. This week we will preview the year ahead and share some of the projects we plan to accomplish. See you Thursday.

RSVP For The Installation Party

Join us as we celebrate the installation of our officers and we're coming back "home" to our meeting location at the Roswell Area Park. The Chattahoochee Nature Center has graciously provided their pavilion for a dinner catered by Lucia's and we will rock the night away with tunes performed by the Martins Landing Band. Seating is limited to 150. You will not want to miss it!
