## **What You Missed Last Week!**

Thanks to Mary Beth and her team, the Student of the Month program is back up and running. It is somewhat changed, but it is still doing what it was designed to do. It is another example of how "your" club is making a difference in "your" community. Gail Roberts did her classification talk and we got to know and appreciate her journey to Rotary. Remember to be mindful of those among us challenged with health issues.

Thomasville City Manager Alan Carson, our program speaker, gave an overview of Thomasville during these difficult times. Thomasville is learning to be creative in carrying out its everyday business. Several city projects which were started prior to Covid-19 are still moving forward. West Jackson Streetscape is almost 100% complete. South Pinetree Boulevard and the Remington Avenue Streetscape Project are yet to reach their start date. "Opportunity is missed by most people because it is dressed in overalls and looks like work."

## **Whine and Wine**

Tuesday evening we returned to Whine and Wine after eight months of being shut down. We had a nice group of fourteen and had a nice evening at Relish. Our host, Cameron Jahnke, served up some great hors d'oeuvres and wine.

The next Whine and Wine will be November 3, 2020. Mark your calendar and be there.

## **Celebrating GRSP**

This spring, GRSP will be 75 years old. Over these years, the Rotary Club of Thomasville has sponsored 90 of the total 3,791 GRSP students. We are appreciative of the past generosity of our members, and we thank you for helping us reach our goals this past year as we:

1. Hosted a GRSP Student-Thanks to Host Parents-Will Watt III and Mabelle Watt;
2. Had 100% of our Club members donate to GRSP;
3. Raised \$33,612.63 (exceeded 2019-2020 goal by \$8,112.63); and
4. Won again the Jake Cheatham Award at District Conference-honored for being first place in per capita giving for Clubs our Size in District 6900 with \$245.35 in per capita giving with 137 members
