Thomas County's Homeless Population

President-elect Nate Tyler and special guests will give us an update on the homeless population in Thomas County and the organizations that work together to support that population.

- **Thomas County CARES** (Community Awareness Reaching & Equipping the Streets) helps the homeless and less fortunate in Thomas County obtain a better quality of life to become productive members of society. In 2024, Thomas County CARES provided more than 11,000 manna bags, blessing boxes and Street Feed plates to the hungry and food insecure and nearly 100 tents and sleeping bags to the unsheltered.
- **Fountain of Life Rescue Shelter** operates as an emergency shelter and saw a 62% increase in beds filled in 2024 over 2023. In addition to its regular schedule, Fountain of Life opens every night that the temperature falls below freezing. Learn more about both of these organizations and how you can support their missions to improve the quality of life for those less fortunate in our community.
