We will recognize the dedicated coaches for the Roswell High School Track & Field Team. Years ago, Coach Bob White (long distance coach) realized he has all of the stats for the Roswell Relays dating back to 1997! So, he took some time to compile the Roswell Relays Record report. For 2 years now we have been proud to display these records during the Roswell Relays event in March. What a tremendous archive of information gift and recognition for this long-standing, outstanding event. The teams/parents and athletes look for their school and/or their event(s) to see the record time/length or height. It has inspired pictures, goals and conversations.

speaker will share how businesses like Chick-fil-A, Whole Foods, Unilever, Southwest Airlines and Patagonia are proof that Profit and Purpose do more than co-exist. Purpose-driven brands create real impact and sustainable growth.

If you believe that The 4 Way Test is a smart way to run a business, then today's talk about Conscious Capitalism will confirm what you believe and help you lead others.

Our speaker this week, **Philippe Harousseau**, is a purpose-driven CPG marketing leader with over 30 years of experience transforming brands across Beauty, Food, and Pet categories. A former Unilever, GoGo squeeZ, and Shiseido executive, he is known for crafting sharp, differentiated brand propositions that drive both equity and performance. Now a fractional CMO with Chief Outsiders, he helps founders and CEOs turn their vision into structured, actionable growth strategies. Philippe's career was shaped by his role in launching Dove's iconic Campaign for Real Beauty, which reinforced his belief that brands can achieve lasting success while making a meaningful impact on people's lives.
