District Conference at Lake Lanier

Members of North Fulton Rotary had a fantastic time celebrating the Rotary year at the Annual District Conference at Lake Lanier this past weekend! It's always meaningful to connect with fellow Rotarians across the district and learn how they're making an impact in their communities.

We're proud to share that our club was awarded **Club of the Year (Category 2)** during the weekend festivities. Congratulations, President Erik! We appreciate your leadership and dedication to *Service Above Self.*

Several of our members were also recognized by District Governor Steve Ivory:

Mike Mudd received the **Rotary International Meritorious Service Award** for his continued leadership of The Rotary Foundation at the district level. This prestigious award is presented to very few Rotarians — a truly well-deserved honor for Mike!
